Fastener and swiftags not only facilitate the universal attachment of product and brand labels, but they are also useful for special requirements, such as securing soft products or semi-finished industrial goods. This programme increases productivity, optimises production processes and saves time and resources.

Needles are available for various material thicknesses and for outdoor use and are suitable for use with delicate fabrics. A quick and easy way to communicate your product details and your brand.

## FASTENERS AND ACCESSORIES

## FASTENERS AND ACCESSORIES

### V-Tool

Automatically connect a single loop fastener in a fraction of the time it takes to fasten by hand without perforating products. Each tool is comfortable, lightweight, and designed to be durable and reliable. Attach tags securely

- Does not use needles
- Lightweight and compact
- Quick and cost effective
- Ergonomic and safe

METO®, a business unit of Checkpoint®, offers the global retail sector a great variety of innovative and highly cost-efficient labeling and sales promotion solutions. These include in-store communication and advertising, shelf management, merchandise identification and labeling and shopping convenience.

Over the past 50 years, METO has invented an ongoing succession of sales promotion and merchandise labeling solutions which define today's standard practice in the retail sector. METO develops solutions which are easy to handle and set up. As such, these solutions meet the requirements of a retail sector which faces constant change and which operates according to the motto: time is money. Solutions from METO help to ensure effective communications in all areas, from pricing through advertising to information on product origin, use-by dates or other details which play a role the sale of merchandise.

METO combines quality with durability and inspires retailers to communicate with their customers in an effective manner.

METO's success is due in part to its close cooperation with retailers, service providers and industry. These partnerships enable us to continue developing innovative concepts for our customers.
